

Pediatric Specialist Guide

A referral guide for health care providers

James Kasser, MD

Children's Hospital Boston

2009-2010

CHILDRENSHOSPITAL.ORG

EMERGENCY MEDICINE

Children's Hospital Boston's Division of Emergency Medicine provides 24-hour care to infants, children and young adults with urgent and emergent medical, surgical and traumatic conditions. The consulting staff includes medical and surgical physicians from a broad range of specialties, social work professionals and foreign language interpreters. All patients are accepted in the emergency department from birth through 21 years of age, and those with chronic illnesses requiring pediatric expertise (e.g. cystic fibrosis or complex congenital heart disease) are treated at any age, as appropriate.

As one of the largest emergency/trauma centers in New England, Children's cares for more than 50,000 patients each year, serves as a Level I Regional Pediatric Trauma Center and houses the Massachusetts and Rhode Island Regional Center for Poison Control & Prevention.

CLINICAL PROGRAMS:

The Center for Biopreparedness at Children's Hospital Boston

The center was created to be a national Center-of-Excellence in all pediatric aspects of public health preparedness and consequence management after acts of terrorism and other disasters. The center was launched in June 2003 with the assistance of a contract from the Agency for Healthcare Research and Quality (AHRQ).

Injury Prevention Program

This program is committed to decreasing the incidence of injuries through community-based education efforts, distributing safety materials and conducting research on best practices. The Injury Prevention Program is actively involved in the following programs and organizations: Car and Bicycle Safety, ThinkFirst, Injury Free Coalition for Kids, Greater Boston SAFE KIDS Coalition, SAFE are for Everyone) Coalition and Safer Homes.

For information, call 617-355-2754

Regional Center for Poison Control & Prevention Serving Massachusetts and Rhode Island

The Regional Center for Poison Control and Prevention, based at Children's Hospital Boston, provides 24-hour treatment and advice to health care professionals and the public on all types of poisoning. The center handles more than 65,000 calls a year, providing information and assistance with medication errors, ingestion of household products, bites and stings, and exposure to biologic and chemical substances. The center also initiates public education and information campaigns to prevent injuries due to intentional and unintentional poisonings.

National toll free phone number: 1-800-222-1222

Travel and Geographic Medicine Clinic

In conjunction with Children's Division of Infectious Diseases and General Pediatrics, the Division of Emergency Medicine also operates the Travel and Geographic Medicine Clinic, which provides comprehensive pre-travel services for international travelers, both children and adults.

Scheduling: 617-355-5945

EMERGENCY MEDICINE

Children's emergency physicians provide services at our Boston campus on the ground floor of the Main Building and in the following communities throughout Greater Boston:

COMMUNITY	LOCATION	SCHEDULING
Boston	Children's Hospital Boston 300 Longwood Avenue	617-355-6611 Fax: 617-730-0876 Expect Line: 617-355-2170 Email: expect@childrens.harvard.edu
Beverly	Children's Hospital Physicians at Beverly Hospital 85 Herrick Street	978-922-2770
Norwood	Children's Hospital Physicians at Caritas Norwood Hospital 800 Washington Street	781-278-6777
Weymouth	Children's Hospital Physicians at South Shore Hospital 55 Fogg Road	781-340-4075
Winchester	Children's Hospital Physicians at Winchester Hospital 41 Highland Avenue	781-756-2000

To notify the emergency staff of patients we should "expect" for emergency services, please contact us using the information above.
